

To repeal the rules that prohibit a media company from owning both a newspaper and a TV station in the same geographic area will do more to destroy Democracy than anything in my lifetime. Already we have corporations controlling the news we receive. What do you think will happen if this trend continues? I have decided to turn to the internet for news because I don't trust ABC.NBC. MSNBC, FOX. Just where will I turn if it gets worse? Please think about what you are doing to our Country. Thanks John Ogle, North Carolina.
